

Twice the clarity. Exceptional wireless range.

The wireless Jabra GN9120 DUO headset sets new standards for professional communication in noisy office environments and contact centers. The new DUO version of the award-winning Jabra GN9120 Series offers true wireless freedom combined with superior comfort and great sound quality.

- Great listening accuracy with dual earpieces
- Noise-canceling microphone for reduced background noise and crystal-clear calls
- Up to 300 feet of unbeaten wireless freedom
- Up to 8 hours of talk time
- Multi-unit conferencing capability
- Lightweight headband wearing style for all-day comfort

The wireless Jabra GN9120 DUO headset is the professional choice for wireless hands-free telephony. Giving you up to 300 feet of range, up to 8 hours talk time plus a host of innovative features, the Jabra GN9120 DUO lets you get more done.

Conference calls have become a way of life in today's business world. The Jabra GN9120 DUO's multi-unit conferencing capability lets up to four headsets join in on a call. Enjoy fully mobile conference calls without the hassle of crackling speakerphones or meeting room bookings. Adding the Jabra GN1000 RHL remote handset lifter with the Jabra GN9120 DUO enables you to remotely answer/end calls and with the Jabra GN8110 RJ9 adapter you get instant access to PC-based IP telephony.

The Jabra GN9120 DUO is reliable and designed for demanding environments. PeakStop™ eliminates overly loud sounds, and the headset is compatible with virtually any telephone. The Jabra GN9120 DUO helps you excel by giving you the freedom to work your way.
